Where Will You Wander?

An artist creates from a place that can't be seen.

A realm of fate and mystery and make believe.

And artist may wander while standing still,

But the best artists wander full while never filled.

Explore the Paths

Artists and their art come in many forms. Look into different forms of art and find one that you want to try.

Pack Your Bags and Get Ready

What will you need for this art journey? Collect the instrument or tools you will need to make art.

Your First Steps, You Got This!

Now that you know your path and you've packed your bags, Spend 5 minutes making a piece of art showing where you want to go.

As a wandering artist, you may have collected a lot of things. Choose from the art you've collected and give it away to another to enjoy.

Build Your Wandering Portfolio

Store your creations among your treasures.

Careful about the elements, especially the weather.

Take pictures and make records of everything you've made,

While memories are lost, pictures don't have to fade.

- ❑ Create a way to digitally store all your art. Name the folder as if you were naming a book.

❑ Try, Try, Again

Look at the piece of art you made in 5 minutes. What do you like about it? What do you wish was different? Spend another 5 minutes either adding to the first piece, or 5 minutes making a new one. Take a picture of each and store in your folder.

❑ Where Do You Dream to Go?

Look up locations in the world you've always wanted to visit. Check out the images, history, people, and videos and imagine yourself there

Leave a Trail of Art as Footsteps

Express yourself through what you create,

Whether in paint, sculpting, or what you last ate.

Impress on others the gifts of feelings,

Found in places covered in art from floor to ceiling.

☐ Make Your Room Your Art Sanctuary

A wandering artist is usually inspired by what they are surrounded with. Look around your room and consciously set it up to be more inspirational whether with art, nature, or tidiness.

☐ Practice your Signature

Artists leave a mark on their work as a signature. Practice your signature. It can be your name, initial, word, or symbol.

☐ Leave Your Mark

Express where you would want to wander on a page of sturdy paper. Cut it into 8 pieces, signing each one with your mark. Now distribute out all 8 pieces as bookmarks or cards.

THANK YOU and this Concludes Your Quest of the Wandering Artist. Please fill out our quest-ionnaire to be entered into our monthly Raffle of Kindness!
