Walk Like an Animal

Like a Panther do you stalk the night?

Bang your chest like a gorilla when you want to fight?

Eat like a panda, or buzz like a bee?

Which Animal calls you, is it an endangered specie?

Fill out this quest-ionnaire as you play to be entered into our Raffle of Kindness!

Stop and Look Around

Identify 3 endangered animals in the world

Follow the Tracks

Of the three endangered animals, choose one to further connect to and begin learning about them

Call Your Friends and Family

Learn a few facts about the animal and share what you have learned with your friends.

Recreate the animal

Using creativity, recreate the animal. You can do this by writing a poem, singing a song, drawing a picture, or in anyway you choose.

Find in your belongings an item you don't need anymore that has an animal on it and give it to another with the quest to learn about the animal!

Talk Like an Animal

Humans have the power to keep animals safe,
But humans are so busy, they run their own race.
But little by little we all can keep guard,
And help all the animals, with more than gift cards

Look Up organizations that work with and protect your chosen animal. Find a small way you can support them.

☐ Offer your service

Even if your animal doesn't live nearby, the whole Earth supports all life.
An easy way to help our planet and its animals is to go pick up trash outside. I bet you will find some.

☐ Raise Awareness

Make a poster that lists 3 facts about your chosen animal and tells the viewer what organization you learned about. Share your poster by posting it on a community billboard or posting online.

Protect the Animals

**Some animals eat with their hands and others face first,
Some drink really fast, and others store for thirst.
So different is each animal, so much wonder to behold,
You though are the maker of the Animal Scroll!**

❑ Spread Joy

**Look up or make up a joke about your chosen animal.
Tell it to 3 other people. What most people have in
common is we all like animals and we all like to laugh.**

**Look up the current news about your animal. It
may be facing a danger of some sort and needs help. Ask
your guardian to help you let other people know about
the current events your animal is experiencing.**

**❑ Make the Animal Scroll and Give to Another
Pass this Quest along in the form of an invitation to go to
FestiQuest.com and complete
The Quest to Find the Animal Scroll.**

**Decorate your invitation with your animal and let them know
you have indeed, found an animal scroll. And roll the
invitation up, creating a scroll.**

**THANK YOU and this Concludes Quest of the Animal Scroll.
Please fill out our quest-ionnaire to be entered into our
monthly Raffle of Kindness!**
